CORE COMPETENCIES

Network & transport

Carrier-neutral sourcing of dedicated internet, broadband, point-to-point circuits and SD-WAN. We hold no carrier quota, so the recommendation follows the requirement.

Microsoft licensing & cloud

Authorised Microsoft indirect reseller. Microsoft 365 and Azure licensing, tenant configuration, and licence right-sizing against actual usage.

Unified communications

Cloud voice replacing legacy PBX, including number porting, call flow design and Teams voice integration.

Cybersecurity & continuity

Endpoint and identity hardening, backup and recovery design, and NIST SP 800-171 gap assessment for systems touching Federal Contract Information.

Digital & AI

Section 508-conscious web development and practical process automation with a measured before and after.

DIFFERENTIATORS

- Carrier-neutral. No carrier quota, so the recommendation follows the requirement rather than a commission.
- Sources Sought and RFI responses returned within 48 hours, so market research files close on schedule.
- Budgetary pricing for an Independent Government Cost Estimate within 72 hours, at no cost and no obligation.
- A named principal answers the phone. No queue, no ticket, no portal.
